1964, Vol. 7

Dedicated to
MISS BETTY JEAN BARKER

Because you are fair in your treatment of each student,

Because you are willing to give freely of your time and energies,

Because you recognize potential,

Because you create interest and inspire endeavor,

Because teaching is a noble profession and you are a noble person,

We the Class of 1964 proudly and gratefully dedicate this volume to you

PROLOGUE

An annual is merely a reflection of a school, in which you will find pictures of students, faculty, and their environment. In this respect our annual is no different from any other.

In putting these pictures into the book, we have tried a few new techniques. Our main division pages are what is known as full color bleeds. The subdivision pages employ a technique known as posterizing. Also there are a few duotones spread throughout the book. Many large pictures and close-ups have been used. You have probably already noticed that the book opens differently. This was done to heighten the overall effect.

All of these techniques were used to make this the best annual that our school has had. I hope that you will enjoy this annual and keep it for the future.

JIMMY IVIE
Editor

SALUTATIONS

In order that parents may be given an opportunity to visit the teachers, Morehead High School has Open House every year during American Education Week. Members of Future Teachers and Student Council serve as guides to introduce parents to teachers. Grades, attitudes, and other special school problems are discussed during these brief interviews, with advice often being given to parents so that they might help the students at home. At left, Mr. Medlin discusses Latin students while Mr. Colley, bottom left, opens his grade book to Paula Jones' and Laura Overby's mothers. Miss Barker seems to have a deep discussion going about some luckless senior English students.

Extra curricular activities have an important place in school life. It falls to them to develop those traits which sometimes cannot be developed in the classroom — the ability to work in a group for a common purpose, and the ability to serve as a leader, as a follower. They provide the opportunity for students to serve their school and often their community.

The newly-formed French Club, pictured, is sponsored by Miss Slate and Mrs. Owen. The purpose of this club is to take advantage of the many materials available for foreign language study.

At the left, the officers of the French Club are: Mary Jane Stephens, Secretary; Margaret Ray, Treasurer; Dole Manual, Vice-President; and Tommy Waads, President.

Here are some of the scenes and the scenes-behind-the-scenes during football season. Pretty Janet and handsome Tommy beam their joy on Homecoming night. Marcia Winn swirls gayly around the floor with debonair Larry Reed, as Sue Wood flirts behind Marcia's back! At right top, Ira Burcham samples the wares at the concession stand which is operated by the Student Council. At far right top, Harold Matthews gives a play-by-play description of the game. Bottom right, Mr. Harris sells tickets before a big game. Bottom far right, Mr. Nassar cleans the coffee pot.

M'head	27	Madison-Mayodan	0
M'head	0	Martinsville	13
M'head	0	East Forsyth	7
M'head	34	Graham	13

M'head	25	Sumner	7
M'head	13	Mt. Airy	0
M'head	13	North Forsyth	31
M'head	0	Reidsville	18
M'head	24	Drewry Mason	12

In the upper left corner, lab assistants learn through experience while they lend willing hands to the biology, chemistry, and physics teachers.

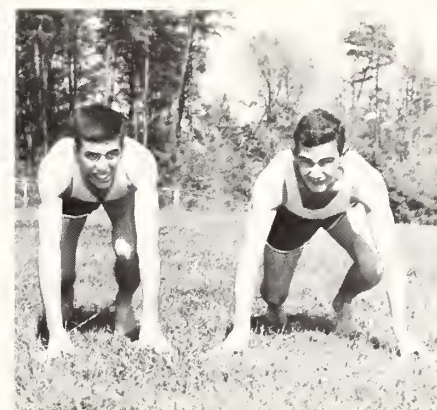

Above, the many tedious tasks and necessary errands can be carried out only by an energetic staff of office assistants.

To the left, shelving books, checking books in and out and recalling overdue books call for competent library assistants. Mrs. Colvin's helpers aid her in keeping a smoothly run library.

One of the members of the track team, Johnny Stegall tries a high jump in the upper left corner. Next, Ca-captain Ray Mitchell shakes hands with an appanent to pramise a "square" game. It must be a winning game judging by Chief Joyce's high vault. She should be pale-vaulting — wander haw Jahnny would be as cheerleader?! Picture four shows all the cheerleaders, and the football team, and caaches at the pep rally before the Reidsville game. In the bottom picture, the J. V. Cheerleaders pase prettily. They are left to right: Faye Gallimore, Amy Fulcher, Chief Jan Atkinsan, Elizabeth Sweeney, and Laura Overby. Second row: Barbara Elliatt, Diane Miller, Margaret Ray, and Martha Meeks.

Above in the action shot, Mike Harris "vaults a basket" as an unidentified player looks on. In the top picture is our fine football dressing room. Below it to the left are Frank Setliff and Jim Pyron, our very able statisticians. To the right of these fine fellows are two anxious "young men", members of our track team.

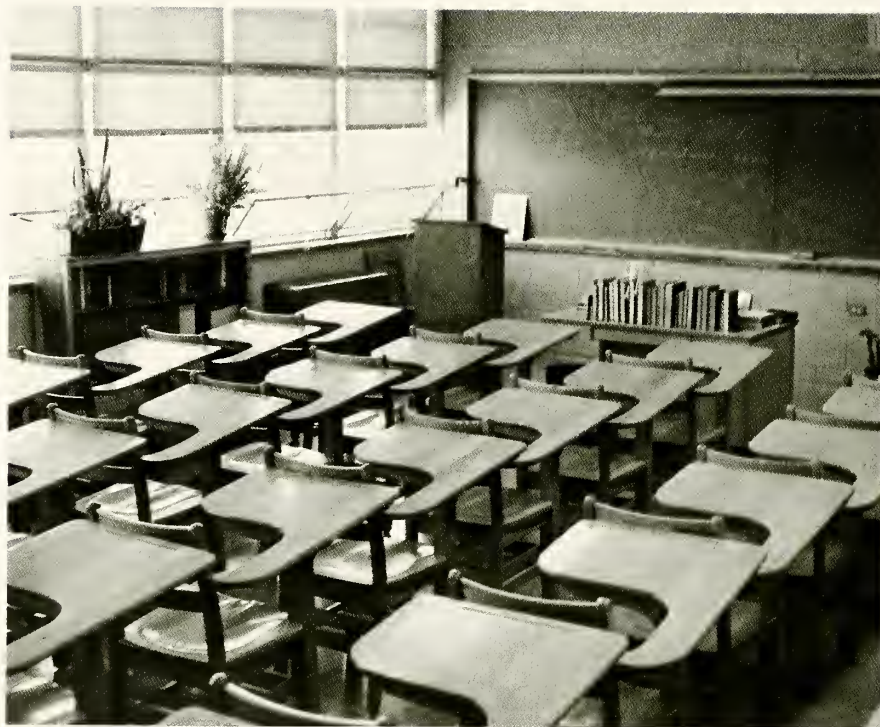

Morehead High School's auditorium affords the pleasant surroundings and technical excellence which help to make every gathering a stimulating experience, whether it be a meeting of the senior class, a guest speaker, a company of traveling actors, or the senior class production.

At the upper left, the student body files into the auditorium to take part in another of its many areas of learning.

At the bottom left, Roy Mitchell and Bill Pace competently control the confusing array of light switches for a stage production.

Even as the halls find no echoes in their corners, there is an awareness of tomorrow's melange of sounds; and even as desks grow cool, a forgotten book is a reminder that they will be back again to listen, to talk, to understand, and to know.

At left, the 3:15 bell sounds and each student heads for his particular number on the yellow bus. Here is a place to retrace all of the day's excitement, anxiety, and humor.

Above, the new play area offers ample space for many recreational activities which help promote the nationwide physical fitness program.

At right, the annual Social Standards Day was opened with a stimulating talk encouraging the growth of the individual.

SECTIONS

ADMINISTRATION • LEAKSVILLE TOWNSHIP SCHOOL BOARD

The Leaksville Township School Board is composed of seven men who are elected on a staggered basis by the citizens of the Tri-Cities. The members of the School Board serve a four year term without pay. The duty of this board is to govern the local school system, a task involving an expenditure of literally thousands of dollars each year. It is their intent to provide first-rate teaching, superior facilities, and top-grade administrators for the Leaksville Township area. Recently among their activities has been the promotion of the Community College. This school will be a two year college situated in Rockingham County. Our school board has viewed the problems of maintaining a sound educational system in the Tri-Cities with an objective and discerning eye. Nothing has been spared in equipping our schools to produce

the kind of citizens and scholars of which the Tri-Cities may well be proud.

Dr. Gordon Clarke serves as chairman of the board. The importance of this work is so obvious to Dr. Clarke that he combines his many school-connected activities with his busy practice to work in the best interests of the schools. Warren Wilson, pictured at top left, works for Tri-City Pontiac and still finds time to attend many functions of the schools. Bill Goldston, pictured next, is owner and manager of Goldston Transfer. Mr. Goldston has served as chairman of the board and has worked diligently to provide good schools in our area. Zell Ford, pictured third, is employed at Spray Cotton Mills. He is active in many civic affairs. Welsford Bishopric, pictured next, is President of Spray Cotton Mills. He was chairman of

the local effort which successfully promoted the Community College. Clint Frank, pictured first on the opposite page, is head of public relations at Fieldcrest Mills. He energetically works for the schools and is involved, too, in church work and other civic affairs. Pictured next is Dick Smith, a gentleman-farmer. He resides on a large farm and enjoys working there.

The Superintendent of Leaksville Township Schools is Mr. John Hough who is pictured at right on the opposite page. By virtue of his position, he is secretary of the board. He often makes recommendations based on his experiences in the school, since the members of the board are laymen. Mr. Hough can call on a vast store of experiences since he was a teacher and principal before going into administration.

AND SUPERINTENDENT

PRINCIPAL

Dedication when affixed to a personality of Mr. Newlin's depth and stature is a wholesome word, denoting ability, warmth, and understanding. He can be likened to a businessman forever working to improve his product through effective management, close cooperation with colleagues and students, and an abundance of wisdom. The ultimate responsibility of the seemingly unending stream of problems and decisions rests on his shoulders. We all too often forget the interest that prompts his gruffly cordial "Good morning" and overlook the heartfelt concern that is behind each official task. It is with deep gratitude that we once again remind ourselves of Mr. Newlin's dedication to his business, that is, helping to make each student a fine product worthy of his care.

SECRETARY • SUPERVISOR

Mrs. Evelyn Banks, pictured at left, is an indispensable citizen of the M. H. S. community. She daily goes beyond the dictates of her job, that of secretary, to be a friend to the students. Her tasks are many, but you'll never find her too busy to offer encouragement or stern discipline. She is Mr. Newlin's right-hand aide. Our school runs smoothly due to her efficiency and kindness.

Mr. Russell Byrd, pictured at right, is the Classroom Supervisor of the Leaksville Township School System. He works closely with Mr. Hough, principals, and individual teachers. He has a wealth of information concerning new instructional and supplementary aids. Besides his well-carried-out professional duties, Mr. Byrd finds time to share the interests and achievements of the students. He attends all school events and often is seen chatting in the halls or lunchroom with students. As the teachers consider him an invaluable source of information, so the students value his friendship and interest.

DEPARTMENTS

MR. BIGGERSTAFF

MISS BARKER

MRS. IVIE

MRS. GROGAN

MRS. OWEN

MISS ATCHESON

Prerequisites to graduation, all English courses, were filled this year with the influx of many new students. A learning and relearning process began as students continued studying grammar.

As newcomers, the Sophomores also sampled the World of Literature. Anna and her king became living characters while **Silas Marner** took a place in every heart. Juniors lived in the world of literature begun by the fiery Thomas Paine and the Sage Ben Franklin. They delved into transcendentalism and touched on modern realism. Career papers and term papers became realities in the Junior and Senior year. Seniors tasted the literature of England. Shakespeare's characters made them laugh, while others made them cry.

Below, Mrs. Grogan and Mr. Big teach the basics of grammar.

ENGLISH

MR. COLLEY

MR. CITTY

SCIENCE

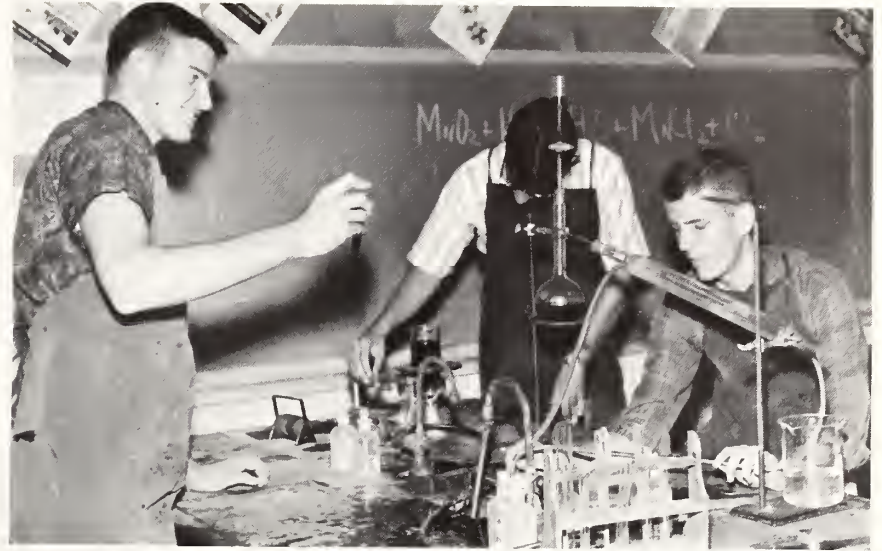

Through the microscope, in the test tube, on field trips, and by experimentation, the mysteries of the organic and chemical world come alive to the senses of every student through the science department at Morehead High School.

Every sophomore faces the tasks of collecting leaves, learning the animal phyla, and dissecting the earthworm, grasshopper, clam, and frog. After the initial contact in biology, most college-bound juniors and seniors are challenged by the often perplexing but always rewarding formulas and problems in chemistry. Moreover, the time spent in the chemistry lab can be quite informative. Last but not least, Physics presents a challenge to any student.

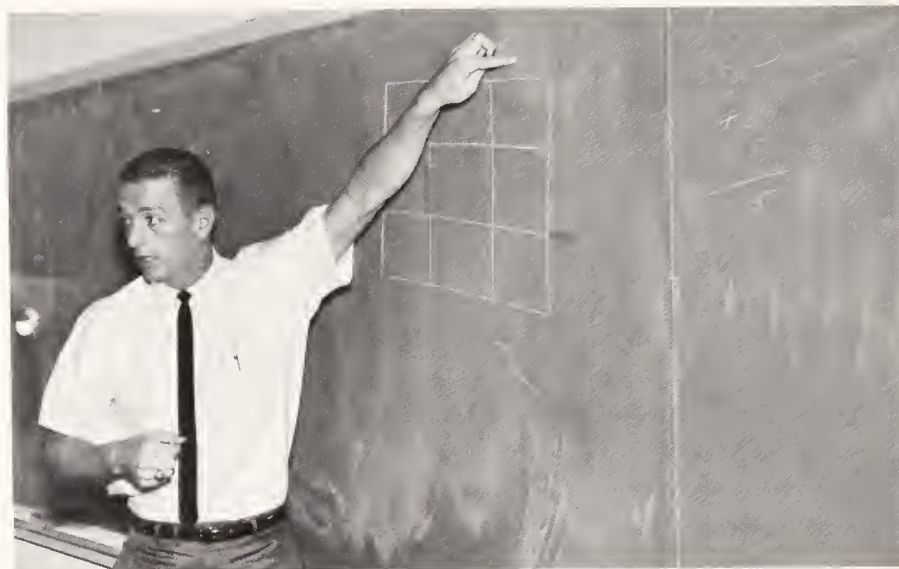

The science department presents to the students ample opportunities to stimulate a deep and active interest in science.

On the opposite page at the top right corner, Wayne Curry, Steve Bundy, and Jim Pyron perform an experiment. At the bottom left corner, Mike Trent and Janice Rea view protozoa through the bioscope.

MRS. SHUMATE

MR. RABON

MR. WILKES

MR. CHURCH

MATHEMATICS

If you have ever been told that Pythagorus and Pascal had triangles, or if you have been asked to prove that the medians of a triangle are concurrent, then more than likely you have been a member of a math class. Mathematics is the language of the sciences. In chemistry, physics or any other science, one must have a knowledge of mathematics so that he may interpret data efficiently and accurately and get the correct answers. Math is a logical subject that enables one to put facts together in an arderly fashion. It is not as ambiguous as history, or as hard to understand as a language. The reasoning process used in math helps the students in other classes.

The courses offered are Algebra I and II, plane geometry, solid geometry and triganametry, and mathematical analysis. A student who completes any of these has an introduction into the fascinating world of equations, numbers, lines, and limits.

On the opposite page in the top left picture Mr. Church instructs students haw to solve ward problems. In the battom left picture, Mr. Wilkes draws a special construction an the board.

MRS. BURCHELL

MR. MEDLIN

MISS SLATE

FOREIGN LANGUAGE

There are 314 students enrolled in some course of foreign language study at Morehead. They may select two years of either French or Latin, or three years of Spanish.

There are many wonderful facilities available for students of foreign language at Morehead, including the language lab. Sometimes the student forsakes the confines of grammar and studies the culture, customs, history, and folklore of the people.

Above Mrs. Burchell demonstrates how to use the console in the lab to Donna Endicott while above right the class follows her instructions. At right Virginia Pruitt and Mary Jane Stephens look over a French display. At far right Jean Craddock uses the lab in her spare time.

BUSINESS

The objective of the business department is to equip students with basic business knowledge and with marketable skills. Before his high school career has been started, a student has an opportunity to learn about the business department from Mr. Nassar and Mrs. Citty who visit the junior high schools before registration of sophomores. By making an early decision, the student then may take advantage or guidance to insure the proper sequence of business courses.

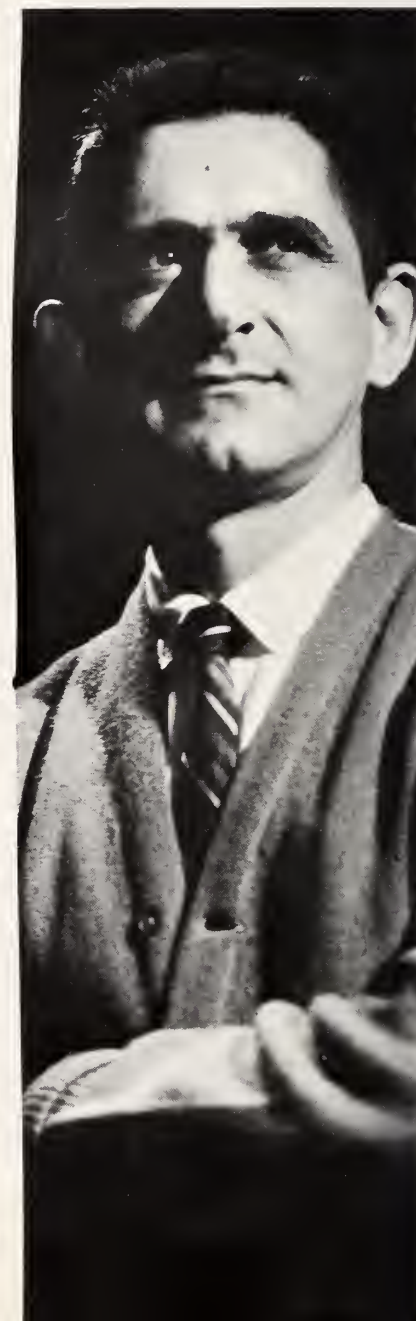

Students who plan to major in business, with the intention of seeking employment after high school graduation, are directed toward general business as a preliminary course. Basic business is open to all students but is primarily designed for business majors. These courses may be taken in sequence or either one may be omitted.

All business majors should have typewriting in the sophomore year and shorthand in the junior year. The senior year should include the finishing courses Typing II, bookkeeping, and Shorthand II. An essential terminal course for all business majors is office practice.

Marehead's business department is one of its finest. The equipment is superior to that in most schools in the state and the teachers are dedicated to preparing the students for successful employment.

Above left, Mr. Nassar instructs Margaret Mantgamery in the basics of shorthand. Above middle, Mrs. Best shows Mary Ann Hundley some facet of using the typewriter. To the right, Mrs. Citty attempts to figure out the complicated bookkeeping machine while Patty Gaudin looks on.

MRS. LEA

MRS. BEST

MRS. CITY

MRS. FERGUSON

MR. CHERRY

United States History, World History, Geography, and Sociology are the subjects taught in our social studies department. The total social studies program is concerned with the development of important understandings, attitudes and skills. Each teacher realizes the importance of reading, outlining, and map study which make for work study habits. History, properly taught, can lead to a depth of perception which will discourage irrational and emotional responses to current issues. The department tries to develop leadership, research, factual knowledge and a respect for the opinions of each other.

Above, Mr. Honeycutt points out a strategic point on the map to Jimmy Talbott while above right, Miss Andrews inspects a future test.

SOCIAL STUDIES

MR. HONEYCUTT

MISS ANDREWS

MR. BEST

MR. FLEMING

MUSIC

Morehead High is fortunate to have two highly qualified musicians in the Music Department. Bob Fleming, head of instrumental music, has produced a band which has earned a superior rating at state contests. Their skill and originality have entertained us all year. In addition to giving concerts, the band also delivers the half time show at football games. Choral Music at Morehead is under the direction of Mr. Duane Best. There are two divisions—girls' chorus and glee club. These groups present programs for assembly in all of the schools.

Many students have been inspired by this department to major in music in college. Others have earned an appreciation of a fine art which will be an interminable pleasure throughout life.

In the bottom left corner, the glee club practices hard for a future presentation. Below Mr. Best gives directions as the group listens attentively. In the top right corner, four trombonists practice diligently while in the bottom left corner two flutists prepare for a future concert.

GUIDANCE

MRS. HINTERNHOFF

MR. HARRIS

Mrs. Minnie Hinternhoff is a qualified, certified guidance counselor who shares personal, scholastic and health problems of our students. Her objective is to provide some of the answers to help the student to solve his own problems. Seniors find her help invaluable in gathering information to help them make a wise college selection.

Mr. Lawell Harris works in a different field of guidance—that of special education. He now has all these classes which were formerly divided among different teachers. His interest, enthusiasm, and professional training highly qualifies him for this position.

In the bottom left corner, Mrs. Hinternhoff makes one of many telephone calls. Below Mr. Harris instructs Jaan Whetley.

The heart of our school lies in the library. The library is the place where all students may go for help on any subject they have. The shelves are stocked with books on science, English, history, art, and fiction for any student who reads for the general enjoyment of a good book. The library also has a display and on file many magazines and newspapers.

The person who is responsible for the efficiency of our library is Mrs. Elaine Colvin. We are indeed fortunate to have such a capable librarian.

Below four students study history in the library. In the top right corner Mrs. Colvin stamps a book for Carl Robertson while in the bottom right corner Norma Axsom hunts for a book.

LIBRARY

MRS. COLVIN

MISS DIXON

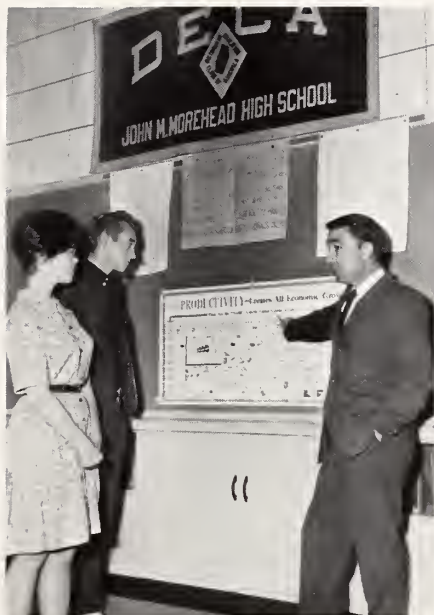

HOME ECONOMICS

The study of home economics is one of the most important non-scholastic subjects for girls. No matter what career a girl chooses, one thing is for sure—she will be either primarily or secondarily a homemaker. Although a few girls fall into homemaking gracefully, training in this all-important art is essential for many.

In the course students learn the cooking and planning of nutritionally-planned meals. They learn how to preserve foods and how to sew and alter clothes.

Above Miss Dixon instructs students on how to sew, while at right Linda Lewis cuts cloth for sewing.

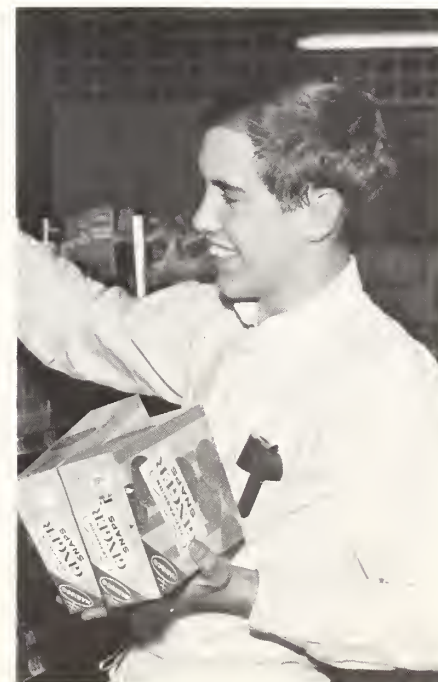

MR. COMPTON

DISTRIBUTIVE EDUCATION

Distributive Education is a term identifying a program of specialized instruction in distribution and marketing. The course is designed to train and upgrade present and future employees and managers.

Leading local merchants employ D. E. students part-time and furnish the practical experience necessary in such a specialized occupation. Classroom study of economics, psychology, salesmanship, and human relations training furnish an adequate academic background for each student.

Above, Mr. Compton points out a chart of productivity. Above right, and below right, Sue Kirkman and Joe Brown are shown working in local business establishments.

MR. KENDRICK

DRIVERS TRAINING

Mr. Dennis Kendrick is a full-time driver-education teacher at M.H.S. He had so many students at the beginning of the year that he had no lunch period! Of course, this was a scheduling error which was soon remedied. We are glad that Mr. Kendrick now has a lunch period, a new car in which to give his lessons, and still boasts of steady nerves.

Driver Training is especially important since the new legislation requiring students to have this course in order to obtain a permit to drive at age sixteen. Besides the convenience to students, this course is important for highway safety. This may well be the means of stamping out criticism of teen-age drivers. At least we know they **know** better!

In the top left corner Mr. Kendrick watches as Mickey Hutchins, Elaine Epperly, and Eleanor Millman change a tire. Below left he inspects Brad Wade's reflexes.

Getting our students safely to and from school is one of the biggest problems concerning school operations. Not only are our bus drivers responsible for M.H.S. students but also all Tri-City students.

The bus drivers are employed by the State of North Carolina. They must pass rigid driving tests given after two full days of classroom and road instruction. These boys must be dependable and willing to give up time for this job. Before many of us are out of bed they are enroute through all kinds of weather to get students to school on time.

Mr. Rabon, bottom left, is the teacher in charge of bus drivers. The problems of break downs, bad weather, sick or irresponsible drivers is a potential ulcer for him.

To the right the senior bus drivers demonstrate how not to ride a bus. In the bottom right corner are all the bus drivers.

BUS DRIVERS

CAFETERIA

The cafeteria staff, supervised by Mrs. Dunn, has provided nourishing meals with a limited choice at a nominal fee. At left, three members of the staff are shown preparing our "hamburger-steak" luncheon, while at right, some lettuce and tomato sandwiches are in the making. Students serve themselves to some dishes as does Peggy Roberts, bottom left. The only problem in the cafeteria is the waiting to be served. The crowd, once seated seems happy enough. Sometimes the wonder is that any of that good food can be digested in all the hub-bub. After such a busy day, Mrs. Dunn has to do her "paper work" before closing up shop.

MAINTENANCE

Maintenance is the often thankless work that goes on unobtrusively around our school both during school hours and after. This work falls to Jones, Bertha, and Edward. Their jobs make our being here more pleasant. We could also make theirs more pleasant by being more considerate about where we dump half-eaten ice-cream, where we prop our feet, and how we care for our washrooms.

To the right, Bertha performs one of her many duties. Below, Jones works to keep our school worm, while below right, Ed cuts grass. To the far right, Jones and Ed pose in front of the boiler.

SPORTS

COACHES

Morehead has one of the finest coaching staffs in the state of North Carolina. These six men have been responsible for the success of the athletic programs at our school. The coaches and the sports they coach are from left to right on the opposite page Mr. Citty, basketball and baseball; Mr. Church, J.V. football and baseball; Mr. Harris, J.V. basketball; Mr. Wilkes, football and track; Mr. Haneycutt, football and golf; and Mr. Raban, J.V. football.

Our thanks and appreciation go out to these men.

This years co-captains are Roy Mitchell and Don Batemon.

FOOTBALL

FIRST ROW: Mr. Church, Jimmy Eggleston, Richard Dyer, Keith Kennon, Gory Gibson, Mike Eggleston, Steve Robertson, Wayne Tucker, Tommy Pruitt, Archie Joyce, Jimmy Going, Wade Corter, Fronkie Westmoreland, Mike Kollom. SECOND ROW: Mr. Wilkes, Mr. Rabon, Wayne Fulton, Ray Thomas, Bobby Dineen, Bruce Lee, Steve Hawerton, Rickey Robertson, Lee Boliles, Sommy Gwynn, Joel Gerringer, Dorryl Richardson, Don Batemon, Claude Simmons. THIRD ROW: Mr. Honeycutt, Russel Woods, Bill Pote, Ray Campbell, Greg Stegoll, Bill Hondros, Mike Dineen, Jimmy McLeod, Jerry Hopkins, Al Cox, Roy Mitchell, Dove Clark, Dennis Gillie, Harold Troxler, Borry Steagoll.

ROY CAMPBELL

BILL PACE

GREGG STEGALL

JERRY HOPKINS

As the M.H.S. Panthers opened their 1963 football season on September 6, against Madison-Mayadan, they came on the field with fire in their eyes and revenge in their minds. They played as a team passed and rolled over M-M 27-0. The Panthers out played the Falcons in every phase of the game. They had netted 257 yards rushing while holding M-M to 9 yards.

The next game, at Martinsville, was a completely different story. Loyal fans who had come to the game to see another win for the Panthers instead saw the Bulldogs squeak past 13-0. The Panthers played a good game but mistakes hurt them badly. They threatened to score on several occasions but each time they were thwarted by the Bulldog forward wall.

The third game of the season saw Marehead play its finest game thus far but to no avail, as the Eagles stumbled past 7-0, but not before the Panthers had given the Eagles a fight for their lives. Early in the

game, the running attack of East Farsyth was held for four downs from the Marehead 4 yard line. The only scare of the game came late in the second half when East pushed over from the 33 in six plays. The game was actually a tribute to the Panthers as they had lost to this same team a year ago 27-0.

After two consecutive losses the Panthers came roaring back to crush Graham 37-13. The game saw Wade Carter score three touchdowns and net 154 yards in rushing to pace the Black Panthers. The game was completely dominated by the boys in black and white. Hametown fans saw the inspired Panther back-field dent the Red Devil line for 292 yards rushing. The game was truly an all out team effort.

In the next game, the Panthers thrashed the Confederates 18-0. The game was highlighted by the sparkling line play and secondary defense of the Panthers and by half-back Ray Campbell who gained 100 yards in seven rushes.

Up front Darrell Richardson, Bill Hondros, Jerry Hopkins, and Roy Mitchell were cited for their fine line play.

The following week the Sumner Indians were treated to Homecoming — Panther style — as they were scalped before a packed house at Morehead stadium 25-7. The game was an excellent exhibition of running by Morehead "scat backs", Roy Campbell and Wade Carter. Between the two they scored four touchdowns, two each, and compiled 200 yards rushing. The defense was outstanding again, allowing only 3 of 11 passes to be completed and giving up only one score. The game was a good example of team work. For their performances in the game, Roy Campbell, Wade Carter, and Al Cox made all state check list.

The Panthers continued to move right along as they next defeated Mt. Airy 13-0 in a Conference game. Again it was the two C's, Campbell and Carter, who shone on

offense, while the defense held as strongly as ever. Campbell and Carter picked up 222 yards rushing while the defense held the strong Granite Bears to an amazing 62 yards rushing. This win set the stage for the Reidsville game which would decide the Conference championship.

The following week Morehead's four game winning streak was cut short as they ran into North Forsyth. The only Morehead score came early in the game as the result of a fumble recovery. North Forsyth finally slipped past 31-13.

The next week Morehead faced a strong, fired up Reidsville team before a full house, as there was S.R.O. in Morehead Stadium. The winner gained the right to go to the state 3-A play offs against Western Alamance. The Panthers were an inspired team as they came onto the field but the Golden Lions could do no wrong and with Herculean effort they edged the Panthers 18-0.

DENNIS GILLIE

AL COX

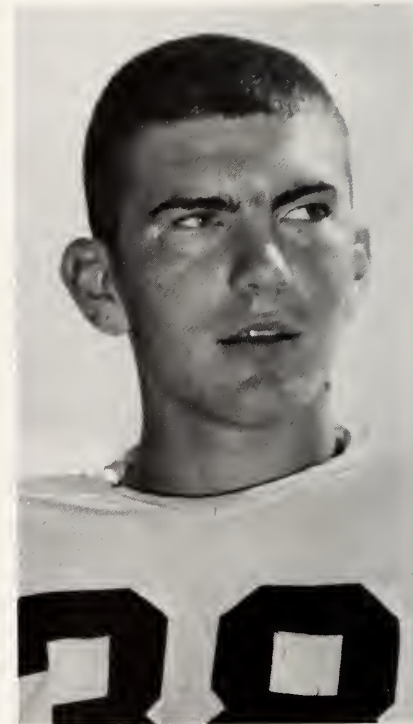

JIMMY McLEOD

BILL HONDROS

After the loss to Reidsville the Panthers prepared for their last game of the season against Drewry Mason. Drewry Mason scared first, but this lead was soon erased as the Panthers came roaring back and dominated the second half. They were led by the passing of Bateman, the running of Campbell, and the fine defensive effort of the secondary who turned in four interceptions. After the game ahead touchdown by Campbell and an electrifying 64 yard run, the Panthers steadily pulled away. When the final gun sounded they found they had mauled Drewry Mason 24-12.

The Morehead Black Panthers ended the year with a 6-4 record. A great deal of credit for this record can be given to our fine coaching staff, headed by Coach Haneycutt. Mr. Wilkes has been a valuable assistant to him. Also our fine team demonstrated again and again that it wanted to win. Both coaches and players combined for a winning season.

BASKETBALL

LEFT COLUMN: David Wilson, Borry Hopkins, Steve Newlin, Cooch City. RIGHT COLUMN: Mike Harris, Johnny Alcorn, Russel Gorman, Jimmy Minter.

LEFT COLUMN: Butch Haggard, Wayne Curry, Tammy Davis, Tim Barker. RIGHT COLUMN: Johnny Baker, Rannie Jayce, Barry Tuttle, Dale Manuel.

Jimmy Minter

Barry Tuttle

Ronnie Joyce

The Panthers of Morehead opened their season on Friday, December 5, in Morehead gymnasium with high spirits; however, these spirits were slightly dampened by an experienced Martinsville basketball team who only lost one man from their previous year's team which was state runner-up in Virginia Class 3-A finals. The boys in white never gave up but were out played by a better team. Senior Tommy Davis scored 14 points while Sophomore Barry Hopkins netted 13. The final score was 79-60.

Undaunted by their previous defeat the boys in black came storming back in their next game to defeat the Southern Alamance Confederates by 78-33. The Panthers blistered the hardwood with their swift moving fast break and scored 16 straight points before Southern Alamance could muster a basket. Morehead had three men in double figures as Davis hit for 18 points, Dale Manuel for 13, and Barry Tuttle for 11. It was an all Panther night as M.H.S. chalked up its first conference win.

In the next game, the Madison-Mayodan Falcons fell to the mighty Panthers in a conference game. It was a close game most of the way but at the end, the game was put on ice by Junior guard, David Wilson, as he sank three free throws to put the game out of reach. Barry Tuttle led the Panthers in scoring with 20 points.

The Panthers coasted to their third conference victory in the next game as they defeated Eastern Alamance 72-44. The boys in white had a shooting percentage of 42% from the floor as Barry Hopkins burned the nets for 18 points. Tommy Davis scored 15 and Jimmy Minter dropped in 13. It was an all around good night, and the Panthers could do no wrong on defense as their zone was all but impregnable.

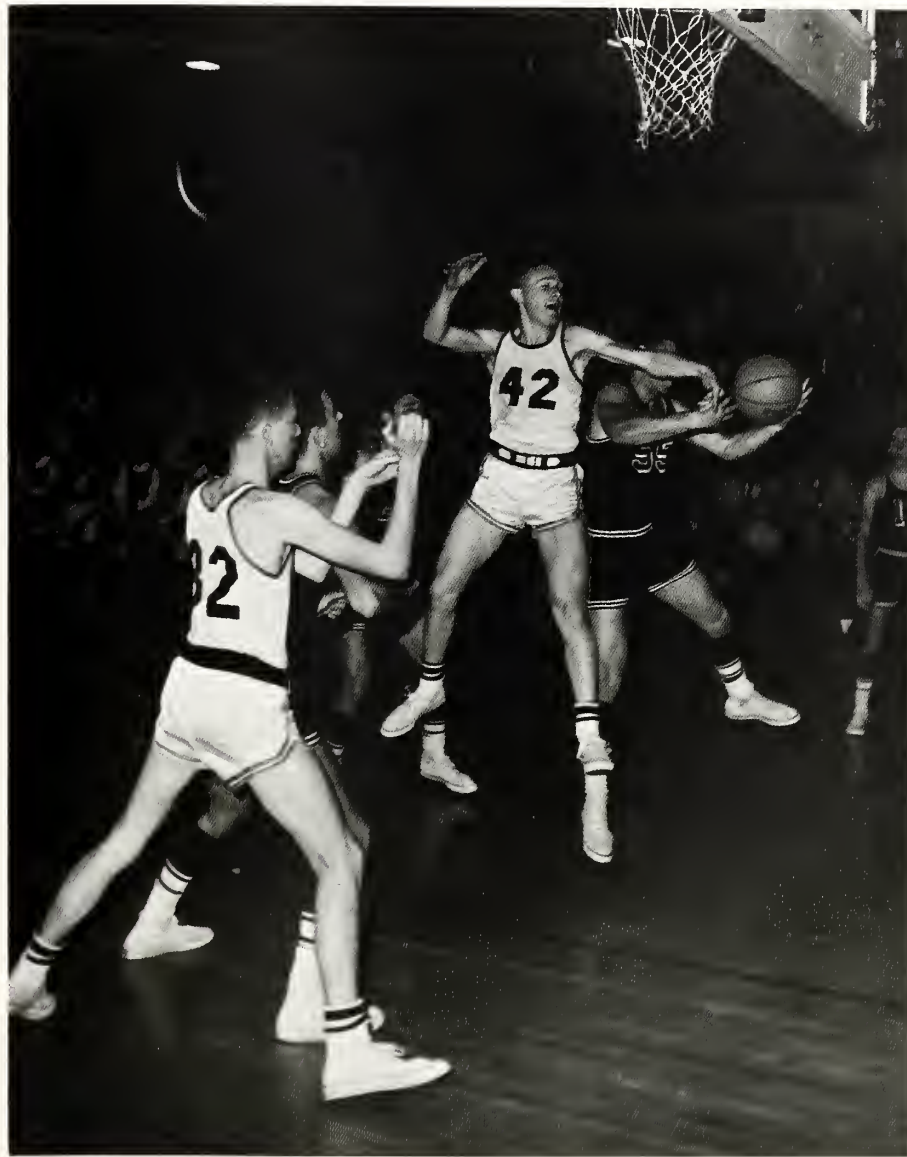

The Panther's put another two-loop victory under their belt as Graham and Eastern Alamance fell under M.H.S.'s fast break, but the five game winning streak was broken as the Golden Bears of Mt. Airy, State 3-A Champs, edged out Morehead by 64-61.

The boys in black lost another at East Forsyth in a non-conference game, before bouncing back to trample Southern Alamance for the second time by the score of 76-46. The Panthers were led by 6-5 center, Dale Manuel who scored 13 points and pulled down every rebound in sight. Tommy Davis followed closely with 12 points and Barry Hopkins with 10.

In the next game M.H.S. fell prey to a mighty East Forsyth team by 79-59.

In the next game the Reidsville Golden Lions found the going tough as the Panthers began to click again and beat them by 49-33. The Panthers played a slow deliberate game and took percentage shots. Tommy Davis poured in 15 points and Dale Manuel popped for 17.

Morehead has the material to be a tough team when tournament time rolls around. They have demonstrated good shooting, rebounding, and good defensive play. They have been consistent and should go all the way for Coach Citty.

Below is a picture of this years junior varsity basketball team. These boys have worked hard and they play before all varsity games at home and away. Anyone who watched them play this year can tell you that they play an exciting brand of basketball. Since this team is the nucleus of future teams, they deserve all the recognition they get.

FRONT ROW: Johnny Fulton, Bill Kiser, Allen Jorret, Mike Aheron. SECOND ROW: Gory Gibson, Frankie Westmoreland, Bernie Moore, Johnny Self, Gory Edens. THIRD ROW: Cooch Horris, Gory Hundley, Gary Minter, Steve Howerton, Ted Thomos, Allen Honcock.

BASEBALL

Baseball is coming back into the eyes of sports fans at Marehead. Last year, under the fine leadership of Coaches Citty and Church, the baseball team ended the year as the 3rd ranked team in the conference. This year 8 lettermen will return plus a great deal of depth on the bench, to "knack out" a season of 14 conference games in a new and stronger conference.

Our bays are good; so, the Champs this year should be M.H.S.

The players on this page are as follows: top left, Rannie Jayce; top middle, Eddie Newman; top right, Tommy Davis; bottom left, Don Bateman; bottom middle, Richard Dyer; bottom right, Barry Tuttle. On the opposite page at top is Bill Handras; at bottom is Mike Hill.

FIRST ROW: Richard Dyer, Eddie Newman, Wade Corter, Bill Hondros, Rickey Minter.
SECOND ROW: Mike Hill, Bruce Lee, Dan Bateman, Barry Tuttle, Ronnie Jayce, Tammy Davis.
THIRD ROW: Butch Taylor, Roger Blackwell, Tony Talbert, Gorry Dornell, Mike Reynolds, Phillip Young.

FIRST ROW: Don Jones, Jimmy Gaing, Borry Martin, Steve Robertson, Kenny Sowyers, Johnny Stegall. SECOND ROW: Jonothan Holl, Mark Wilson, Dennis Gillie, Harold Traxler, Fred Klein, Mr. Wilkes. THIRD ROW: Jahn Slaughter, Joel Gerringer, Mike Hunnicutt, Wayne Darnell, Bill Mitchell. FOURTH ROW: Noel Hale, Benny Dillan, Greg Stegoll, Bill Poce, Ray Mitchell, Fronk Setliff.

TRACK

Last year for the first time M.H.S. had a winning track team. With many of last year's members back again another winning season can be expected.

In the top right corner picture on this page Dennis Gillie shows how to throw a shot put. In the bottom

right corner Fronk Setliff vaults over the bar with greatest of ease. In the top middle picture Mike Hunnicutt gives a mighty effort as the discus-thrower. In the bottom middle picture Steve Robertson and Borry Martin go over the hurdles.

GOLF

Golf is a recent addition to the sports scene at Morehead. Above, Mr. Honeycutt instructs several of last year's team on how to address the ball. They are from left to right, Charles MacIsaac, George Underwood, Dick Gombill, and Archie Joyce. At the far right, Archie Joyce tees off. To the left, Charles MacIsaac blasts out of a sand trap in an effort to get a good position on the green. To the right, Dick Gombill attempts a difficult putt.

CHEERLEADERS

Besides their obvious duties as leaders of the cheers at our ballgames, the cheerleaders are behind-the-scenes goad-will ambassadors at M.H.S. Much of their work goes unnoticed such as the long practice hours, the time spent making pep tags for students and the pep rally preparations. The big project of both varsity and junior varsity cheerleaders is Homecoming. They do all the planning and decorating, buy and prepare refreshments, and even clean up after the dance! They give their time and energies happily and each feels a special pride not only for the victorious games at M.H.S., but also for all the students and sports participants of our school.

Joyce Cannaday is chief cheerleader this year and has done an excellent job working in conjunction with the sponsors, Mrs. Burchell and Miss Atcheson. The other senior members of the squad are Ellen Marlowe, Janet Jahnsen, Sandra Hall and Caroline Cunningham. Sherry Jahnsen is the Panther. The junior members are Skippy Hall, Barbara Hubbard, Trisha Mabes, and Judy Lavell.

ORGANIZATIONS

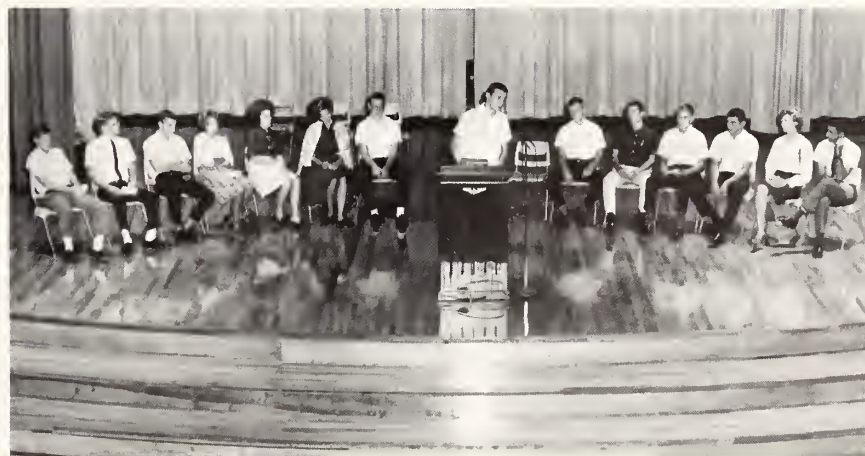

STUDENT COUNCIL

The Student Council, composed of representatives from each class, is elected to office by the student body. These tireless members meet regularly under the direction of Mr. Odell Nassor, faculty advisor. Having the responsibility of governing the school, the members must acquire characteristics of leadership, and above all, honesty.

The Sophomore representatives are in charge of the lost and found articles, which are kept in the Glee Club room. The junior and Senior representatives serve as lunchroom monitors periodically.

Throughout the year, the Student Council sponsors many successful activities. They attempt to give their fellow classmates entertainment and raise money for future projects.

The entire Student Council is pictured at the left. To the right, and top, President Roy Mitchell speaks to the Sophomore Class, while his fellow members await their chance in bottom for right. Also, David Wilson is shown escorting parents around school at open house. To the far right and top are shown the officers: Roy Mitchell, President; Bill Mitchell, Vice-President; Joyce Mitchell, Secretary; and Conway Shough, Treasurer.

NATIONAL HONOR SOCIETY

Below and on the opposite page are the members of the National Honor Society. On the opposite page are the members inducted this year. Below in the bottom left corner is a scene from the tapping ceremony. Next are the officers—Diana Banks, Treasurer; Ellen Marlowe, Secretary; David Wilson, Vice-President, and

Steve Wilson, President. Next David Wilson signs his name to the N.H.S. roll. In the bottom right corner, Diana Banks lights a candle during the tapping ceremony. On the opposite page in the bottom right picture several students pass through the serving line at the N.H.S. tea.

To be elected to membership in the Sarah G. Dininny Chapter of the National Honor Society is one of the outstanding achievements open to juniors and seniors at Morehead High School. The purpose of this chapter is to stimulate, encourage, and reward scholarship, leadership, service, and character. It is on these four bases that the faculty votes on the eligibility of a prospective member. Candidates must have spent at least one semester at Morehead High School and have a scholastic average of not less than ninety per-cent over a period beginning with the ninth grade. Not more than five per-cent of the junior class and ten per-cent of the senior class may be elected at any one time. These new members are inducted in the fall in one of the most impressive ceremonies held at Morehead High School during the year. The main project of the National Honor Society is to sponsor Social Standards Day each spring. On this day the students have the opportunity to hear outstanding speakers talk on career opportunities in various fields. The National Honor Society also sponsors a tea held to honor the students who have made the honor roll. The National Honor Society sponsor at Morehead High School is Miss Betty Barker.

THE CLARION

Covering the news at Morehead High School is no easy job. All members of the Clarion staff must work together to put out a paper worthy of Morehead students. Assignments must be given out, copy collected, dummy sheets made, and deadlines met. Members work from month to month, writing up news events, games, and editorials. These numerous undertakings require more teamwork and co-operation than most MHS students realize. Not until the paper is placed in the hands of the students can the staff rest, that is, until the next month.

The staff is assisted by Mr. Doug Compton and Mrs. Glorio Best. They work closely in putting out each issue of the Clarion.

On the opposite page at the left is pictured the staff of the Clarion. Next Jovito Flynn and Donno Endicott, editor and associate editor, examine a copy of the Clarion. To the left, several staff members consult with Mr. Compton and Mrs. Best, faculty advisors.

The Literary Club or the Aesthetes, has as its goal the enrichment of the students interest, knowledge, and proficiency in the areas of the fine arts. Membership in the elite group is by invitation only although any student may apply and submit the necessary information to be reviewed by the members of the club.

Mr. Biggerstaff has sponsored the Aesthetes and was instrumental in their founding 3 years ago. Al-

though his ideas have been a boom to the group the members plan the programs and have the meetings twice monthly in their homes. The programs are lively and intellectually stimulating, sometimes including ardent discussions of literature, music, painting and drama. This year the activities have expanded to include participation in the Fine Arts Festival held annually in the Tri-Cities.

Below is shown the entire mem-

bership of the club. On the opposite page; in the bottom left corner are the officers — Martha Jo Butler, Secretary; Vicki Cole, Treasurer; Kinney Rorrer, Vice-President; and Jimmy Ivie, President.

In the top far right corner Vicki Cole reads some original creative writing. In the far right bottom corner, Mr. Big checks poetry out of the library, through the window.

THE AESTHETES

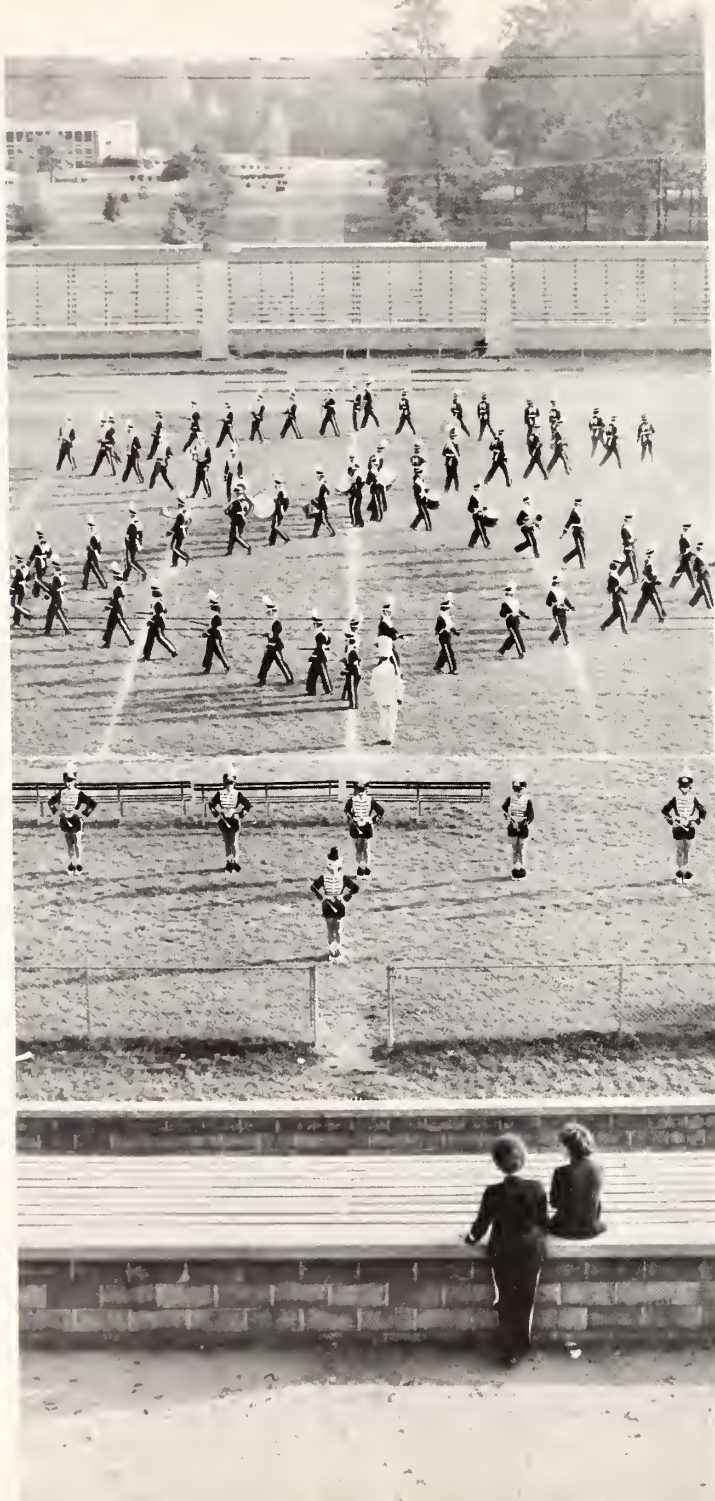

GLEE CLUB AND GIRLS CHORUS

The J. M. Morehead Glee Club is under the able direction of Duane Best. Performances both in and out of school highlight their year, the chief events being the Christmastime presentation of "The Messiah", a joint effort by the Glee Club and the YMCA Choraleers. The Spring Concert is another combined effort shared by the MHS Band.

Each year the Glee Club participates in various concerts throughout the state. They have received ratings of "superior" and "excellent" for their performances at these contests. Twenty members of the Glee Club are selected annually to participate in the Ensemble Contest at Duke and a number of the members attend the Festival Chorus held at the University of North Carolina at Greensboro. The Glee Club members have the personal reward which comes from a job well done.

In the top left corner are the Glee Club officers—Tommy Davis, President; Ellen Marlowe, Vice-President; and Al Cox, Treasurer. Below them is Diana Banks, accompanist. Above is the girls chorus. On the opposite page is the entire Glee Club.

BAND

On the opposite page at the left, the band goes through one of its many routines. At the top right are the band officers, Mary Jane Stephens, Treasurer; Rannie Slaughter, President; Mike Burns, Vice-President; and Pam Adkins, Secretary. In the bottom right corner, the pep band performs at a pep rally. Above is shown the marching band, and below, the concert band.

The MHS band is divided into three bodies: marching band, concert band, and dance band. The marching band, unlike the concert band, cannot sit in nice chairs in

the warmth of an auditorium. They must march under weather conditions unfit for an abominable snowman and in a formation recognizable to the fans. Above and beyond this they have to be playing music. The marching band plays at all the home games and some of the "away" games, and participates in the University of North Carolina Band Day and the Christmas Parade.

The concert band gives a Christmas concert and a Spring concert and travels to the State Band Contest at Greensboro in the spring.

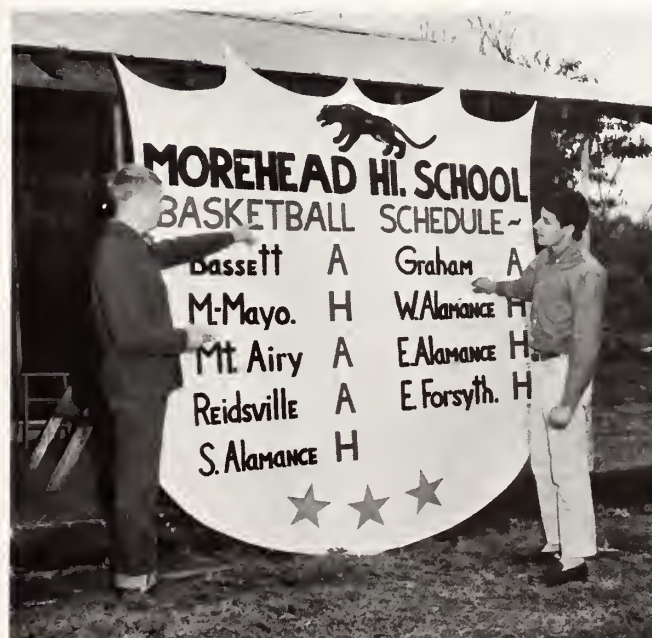

MAJORETTES

There are eight high-stepping girls who are seldom seen in their official capacity other than at football games. These spirited misses are the majorettes.

This year we had an odd attraction—the girls performed at one of our pep rallies. They also march in the annual Christmas parade. This year the majorettes received new uniforms which include the high, feather-plumed hats. The recognition which is given to the majorettes is relatively small considering the hard work and practice which go into each successful performance, not to mention brooding the elements in their sparse uniforms.

Majorettes are chosen by impartial judges on the basis of their ability in twirling, marching, and high-stepping. The chief majorette, Cathy Reese, is responsible for new routines and for keeping the girls "in shape"—and that they are!

At left are pictured the majorettes. Cathy Reese is at the front. The second row consists of Loura Overby, Debbie Robertson, and Paula Jones. The third row consists of Pat Barker, Glenda Thurman, Sharon Cook, and Barbara Elliott.

JUNIOR JAYCEES

The **Junior Jaycees** are one of the service clubs here at Morehead. Their aim is to serve the school, the students, and the community. They have distributed trash cans around the school and erected a large schedule board for all athletic schedules which is shown at left. Often the club holds parties and dances for the benefit of the members and their guests.

In the top left corner picture the entire club is shown. In the top right picture the directors of the club are shown. They are Jimmy Ivie, Bill Kiser, and Larry Reed. In the bottom left corner the officers are shown. They are Gary Stophel, President; Mickey Hutchins, Vice-President; Conway Shough, Treasurer; and Byron Archer, Secretary.

FUTURE TEACHERS

The F.T.A. is a club for students who aspire to a career in teaching. Juniors and Seniors who are interested in joining the club are voted on by club members. Some of the goals of the F.T.A. are to interest students in education as a lifelong career; to give students a realistic look at teaching, its many opportunities and challenging problems; and to study and identify the qualities, traits, and aptitudes which good teachers possess. Each student in the club chooses a teacher whom he would like to help throughout the year. The student assists this teacher by grading papers and sometimes by substituting for a short period of time.

The F.T.A. has several projects each year. They conduct a car wash, attend the state convention, assist in showing parents around the schools at Open House, and make an annual trip to the University of North Carolina at Greensboro to see how college classes are conducted.

The sponsors of the Future Teachers, Mrs. Elaine Calvin, and Miss Marie Andrews, give generously of their time to show students interested in teaching what this profession is really like.

The entire club is pictured at left. On the right students consult college representatives on College Day. On the opposite page, far right are the officers, Paul Thompson, President; Barry Tuttle, Treasurer; Ellen Marlowe, Secretary; and David Wilson, Vice-President.

FUTURE HOMEMAKERS

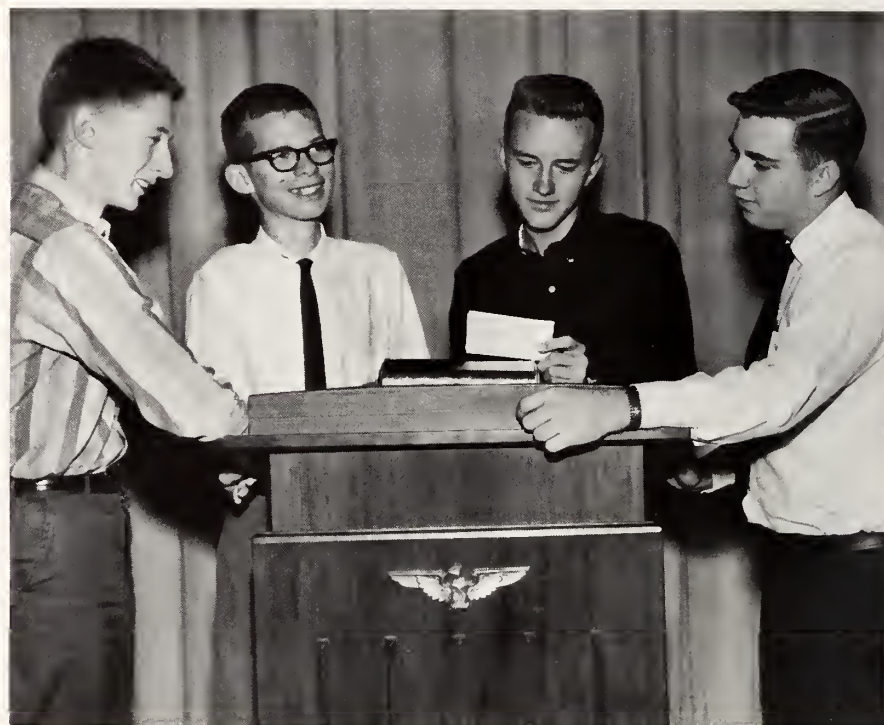

The Future Homemakers of America is a club composed of girls who are interested in learning about different phases of home life.

The requirements for membership in the F.H.A. are at least one year of home economics and an interest in homemaking and family life. The purpose of this club is to promote and develop a genuine interest in care of home and family.

Miss Elizabeth Dixon, head of the home economics department and advisor of the club, gives her time to prepare these girls for their future role as homemakers. She guides them in their projects. During the school year the F.H.A. girls attend the District V rally and other state and county rallies. Throughout the year they are responsible for serving at banquets, planning teas for future F.H.A. members, holding a car-wash, and a doll dressing contest.

At the far left Nancy Hall and Sally Johnson prepare a delicious meal. Next, a special speaker talks to some of the members. On the opposite page are the officers: Carol Hailey, Treasurer; Nancy Hall, President; Geraldine Pruitt, Secretary; and Bonnie Holt, Vice-President. At the far right is pictured the entire club.

The Debating Club at J. M. Morehead High School is an associate member of the National Forensic League, an organization whose primary purpose is to promote interest in inter-scholastic debate, oratory, and public speaking. Membership is nonrestrictive, but an interest in speech and a willingness to work are generally assumed. All debates, oratory, and speaking are judged, and the participants receive points according to win or loss in debate and degree of perfection in other speech activities. Besides debating, members participate in original oratory, extemporaneous speaking, impromptu speaking, and oral interpretations.

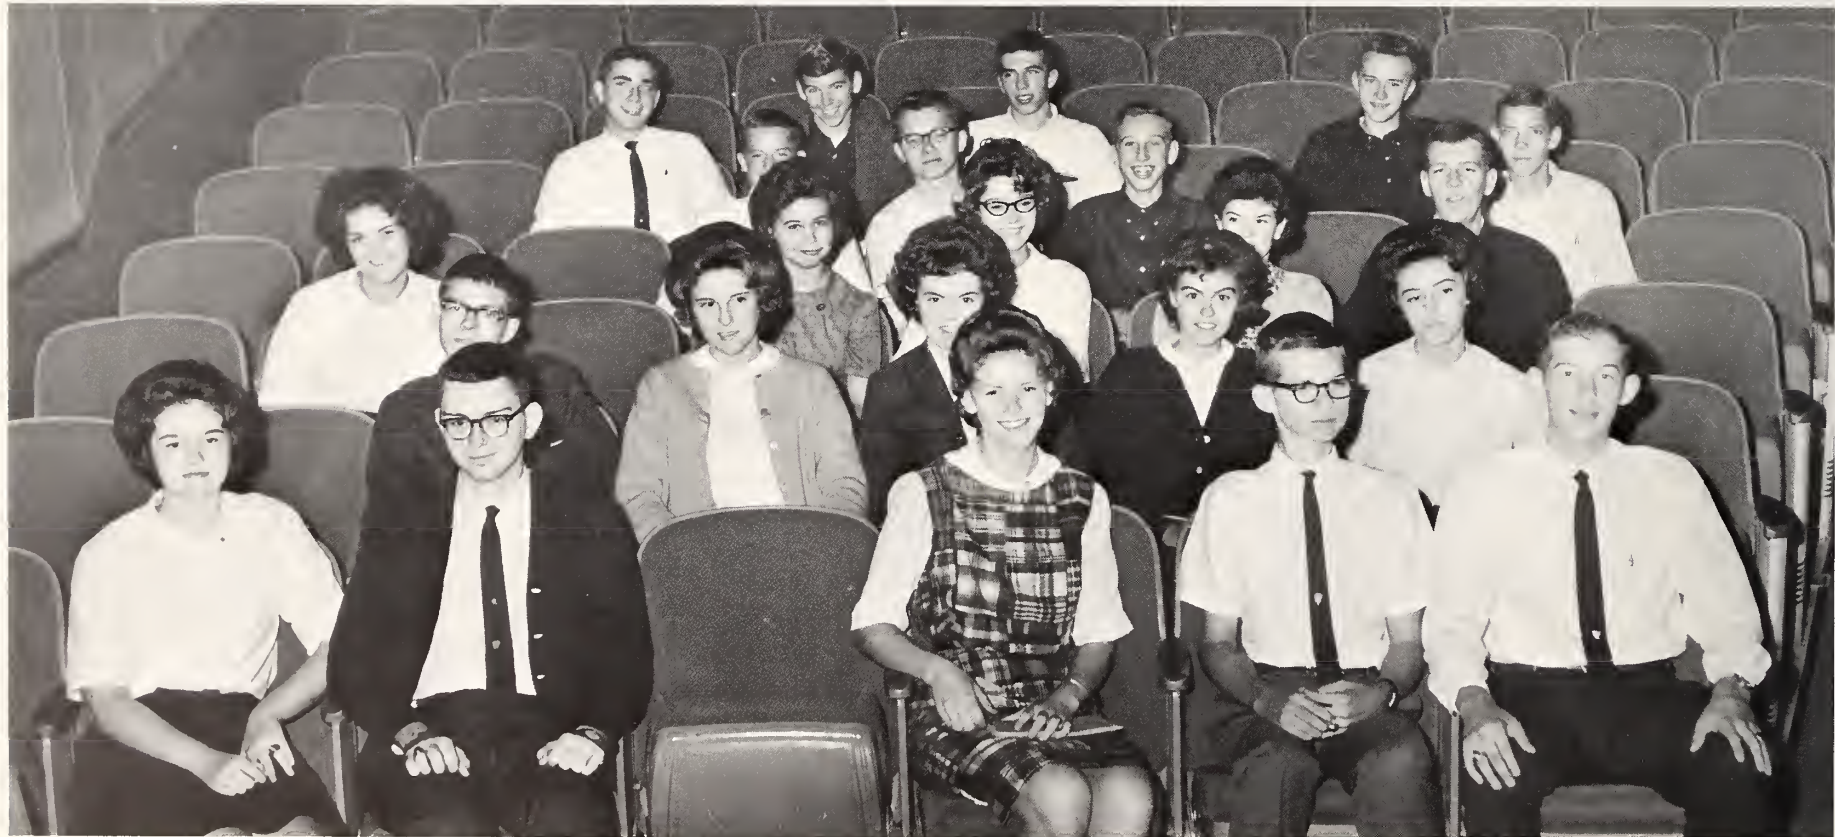

The main forensic functions during the year include National Forensic League Congresses, interscholastic debating among teams in our debating triangle, and a Speech Festival at Wake Forest College in the spring. The National Forensic League Congresses are designed to acquaint the debater with the current high school debate topic. The first interscholastic debating is done among the members of our debating district. The team having the best win-loss record travels to the district debates. The Speech Festival held each spring at Wake Forest College allows the student to participate in debate and in any other speech activity including oral interpretations and drama. All work is judged and participants receive certificates signifying their degree of excellence.

On the opposite page in the bottom left corner the officers—Dan Haaver, Vice-President; Steve Wilson, Parliamentarian; Benny Dillon, President; Canway Shaugh, Treasurer; and David Shinn, Secretary—discuss this year's debate topic. In the top left picture, Jimmy

Ivie receives a debate pin from Mr. Biggerstaff, the faculty advisor. In the top right picture, two members do research in the Library. In the lower right, last year's varsity debate team wonders why they ever lost a debate. The entire club is shown on this page.

FORENSIC SOCIETY

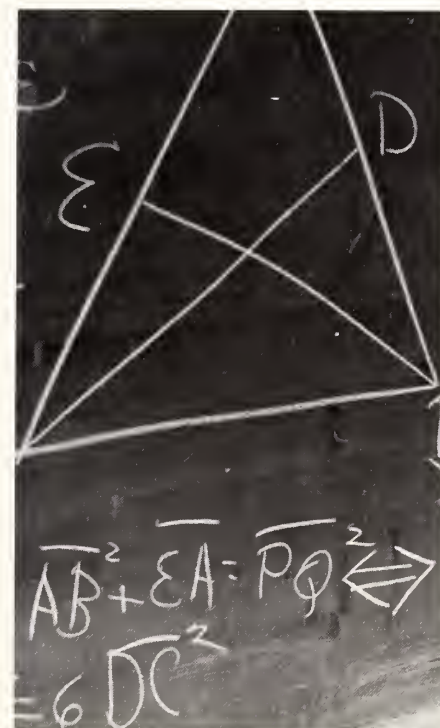

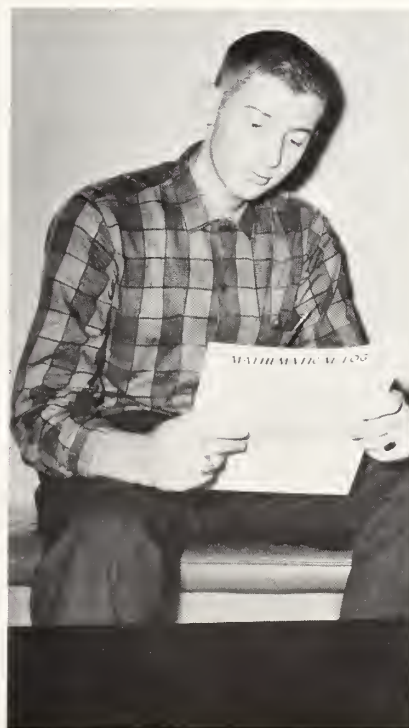

The Math Club, formed in 1962, is a charter member of Mu Alpha Theta, the national high school and junior college honorary mathematics club sponsored by the Mathematical Association of America, the same organization that sponsors the math contest around the Ides of March every year. This 80 minute test has been increasing in difficulty every year since 1951 when the M.A.A. seemingly ran out of easy questions. Mu Alpha Theta is a non-secret organization whose purpose is to promote the enjoyment and understanding of mathematics. The organ of Mu Alpha Theta is the "Mathematical Log," a monthly paper containing articles and problems on mathematics. For full membership one must have completed four semesters of college preparatory mathematics and be starting on a fifth, and maintain at least a B average on all high school work. Full members are entitled to vote on national policies and to receive a certificate signifying membership in the national organization. The advisors of the Math Club are the well-known mathematics triumverate, Mr. Rabon, Mr. Wilkes, and Mr. Church.

On the opposite page is shown the entire club. Below are the officers—Don Hoover, Vice-President; Steve Wilson, President; Brenda Stowe, Secretary; and Butch Hoggard, Treasurer. Below middle, Rickie Manuel looks over the latest copy of the "Mathematical Log." Below right is a picture of the board after one of the meetings.

SCIENCE

One of the most worthwhile clubs at J. M. Morehead High School is the Science Club under the leadership of Mr. Colley. The purpose of the club is to increase the student's interest and knowledge in the sciences. Membership is open to all sophomores, juniors, and seniors.

The meetings are held every other Tuesday, with the programs consisting of films and lectures on topics of general scientific interest.

The main project of the Science Club is the Science Fair held in our own gymnasium in the spring of the year. The Science Club is in charge of all preparation—layout of projects, arranging for judges, general supervision during the fair itself, and cleanup. Prizes are awarded on the basis of originality, scientific thought, thoroughness, and presentation. The winners compete in the district science fair held in Winston-Salem at Wake Forest College.

At the top left, Don Haaver, President, demonstrates scientific principles to members. In the middle, Steve Wilson, Vice-President, shows members different pieces of equipment. At the bottom, Jayce Barnes, Secretary-Treasurer, weighs a piece of apparatus while members watch. The entire club is pictured at the left.

SONIA GAY YARBOROUGH

DONALD PHILIP YOUNG

The Senior Class has worked hard this year, but we have had our fun. Along with our fun and frolic, we have studied and worked to prepare ourselves for making a lot of money and becoming a big success in the future. As seniors, we have been busy doing homework, selling senior candy, tarmenting saphamares, and attending our last season of football and basketball games at Marehead. The dances held this year have also helped make this, our senior year, a memorable one. We are now looking forward to being the guests of the juniors for this year's Junior-Senior.

Three years ago we entered Marehead as sophomores as if we were liars. By the end of the year we had made many new friends with other students and some teachers. Our junior year was one of confusion and fun. The magazine sale, Junior-Senior Banquet, and the arrival of class rings highlighted a year of hard work.

Now that our senior year is almost over, we can look back with fond memories to our three years here at J. M. Morehead High School. We will be sad to leave because our three years can never be forgotten, but graduation and the future are waiting. As we approach graduation, we know that we have been well prepared to face college, a job, or whatever our future holds. For this assurance we sincerely thank our teachers and Mr. Newlin.

The senior class officers are pictured at the right. Left to right they are Marcia Winn, Corresponding Secretary; Dick Gambill, Vice-President; Joyce Mitchell, Recording Secretary; Paul Thampson, President; and Frank Setliff, Treasurer.

Mrs. Julia Ivie, the sponsor-advisor of the junior class, has her hands full guiding the many activities of this busy class. Early in the year the Juniors conduct their annual money-making project, the sale of magazines. Many students earn their \$5 class dues by this project, and some earn their class ring, their annual, or other gifts. Nearly every junior homeroom met their goal this year. On the heels of the magazine sales comes the sale of class rings. The arrival of the rings is a red-letter day in the junior year. The junior dance follows, an informal affair held in the cafeteria.

Shortly after the semester ends work begins on the junior's BIG project — the Junior-Senior. Every year the juniors try to provide an original, beautiful evening to entertain their senior friends as a "going-away" gift.

After the Junior-Senior in the spring, the juniors have a brief "rest", anticipating their rapidly approaching senior year.

To the right are the officers of the Junior Class—Steve Robertson, Vice-President; Burch Hoggard, Treasurer; Byron Archer, President; and Lindo Weadon, Secretary.

The sophomore class at Morehead High School is unique in that it is larger than ever before. With the vast swarm of sophomores descending upon the school came the ever-present, but always refreshing naivete which finds itself the brunt of many an upperclassman joke.

Aside from the regular schedule of school's academic, sports, and social activities, the sophomores as a class can look forward to class elections, the Sophomore Social in the spring, and finally the day they are no longer sophomores.

However, one of the most important tasks each sophomore must accomplish is establishing for himself a comfortable, yet firm toehold in the rhythm of every phase of the school's activities. And as the class settles into an accustomed pattern, each individual seems to create around him a spirit of healthy exuberance and an outlook full of hope and promise of years to come.

At left, the sophomore class officers are: Steve Howerton, President; Charles Kniat, Vice-President; Jan Atkinson Secretary; and Laura Overby, Treasurer.

SENSATIONS

¡Vamos al sur de la frontera!

Let's go south of the border! And that we did — at least in spirit for our junior-senior last year. Jayce Cannaday submitted the theme and was assisted by Mickey Hutchins in heading the decorating committee. Students of both classes agreed that the gym took on the most festive appearance of many years. The colors were gay and bright, as was the mood set by the gala event! We recall vividly being entertained by Judy Lavell and David Shinn dancing the provocative tango, Karen Wimbish singing "Jalousie", and Mary Jane Stephen's pontamin-ing the theme song, "South of the Border." To these performances, the sophomore waitresses added a dance choreographed by Judy Lavell. The program was majestically ended with "el gran poseo", the grand march. Many of us went away

carrying souvenirs such as sam-breros, costanets, and moracos, but we all went away with a gay "South of the Border" feeling.

In the top left corner, Karen Wimbish sings at intermission. In the middle picture, David Shinn and Judy Lovell dance while in the top left corner, sophomore waitresses also provide entertainment. On the opposite page in the top left corner is the grand march. In the top right corner, students pass through the receiving line. In the bottom right corner, refreshments are served. In the bottom left picture is one of the many scenes used in decoration.

JUNIOR SENIOR

HOMEcoming

Homecoming for the M.H.S. Block Ponthers proved to be one of the high points of the 1963 football season.

The events began early with an outdoor pep rally held in the stadium. The rally featured speeches by the players and coaches. The pep band was on hand to provide the music.

Approximately fifty cars were decorated during fourth and fifth periods for the parade. The parade during the afternoon added to heighten the feelings although it did have its usual number of overheated radiator and dent fenders.

After the parade was over and everyone had hastily removed the decoration that had gone on so painstakingly just a few hours

before, the school grounds were deserted for a while as students hurried home to get ready for the big game that night.

The game was the "crowning point" of the celebrations as the stadium was packed with spectators who had come to view the crowning of Homecoming Queen and to cheer on the Ponthers.

Half time saw six excited young ladies awaiting the decision as to who was to be the 1963 Homecoming Queen. While the band played in the background, Miss Janet Johnson was crowned Homecoming Queen by Mr. John Hough, Township School Superintendent, as her escort, Mr. Tommy Davis, looked on. Queen Janet was surrounded by her court which included Joyce Mitchell, Susan Robertson, Ellen

Morlowe, Joyce Connodoy, and Sondro Holl. The girls were escorted by Steve Adkins, Lorry Reed, Bill Hutcherson, John McIsaac, and Mike Hunnicutt, respectively.

After the game, a dance was held in the gym in honor of the Alumni.

On the opposite page in the top left corner students work feverishly to prepare their car for the parade. In the bottom left corner one of many scenes at the dance afterward are shown. In the top middle picture a Morehead player races away from a pursuing Sumner Indian. In the bottom right picture Janet Johnson is shown just before the parade. On this page at the left, Mr. John Hough crowns Janet Homecoming Queen. In the top right picture Janet is surrounded by her court and their escorts.

In an effort to reflect our school and produce a unique annual, we have striven to give you the best **Carillon** ever.

On the appasite page in the top left corner is Dan Hoover as he tries ta figure aut haw much money is needed. Next in the top row is Ira Burcham, business editar, as he takes a few maments aff far algebra. The last two pictures show how the colar on page 229 was taken. The four pictures in the battam left corner shaw the business staff as they pase for our camera. They helped make that page pas-sible. The third picture in the middle row is Don Hoaver as he tries desperately to make cash equal ex-penditures, a hopeless task. The faurth picture shows Ira as he tries to help Dan. In the third picture in the battam row is Sonia Yar-borough as she pases for school pictures. The last picture in the raw is a shot of footprints in the dirt around schoal. They depict the aim-less wonderina af the staff. Ta the right. Mrs. Cittv caunts money for Ira. She was the one person wha guided us through all 244 pages.

CARILLON

As the sun sets, this annual ends.

As it comes to its cease, we would like to thank the many people who have contributed so much time, efforts, ability, ideas, and patience to make this annual what it is.

Mrs. Jaan Citty, who has helped and guided us over all the rough "spats."

Miss Atcheson, Mrs. Burchell, Mrs. Gagan, and other helpful teachers who aided us with copy and suggestions.

Margaret Mantgamery, Lynda Williams, and Linda Raap, who typed this entire annual.

J. B. Edwards of Hunter Publishing Co., who helped us with the layout.

Claude Gillie, who took the majority of the pictures in the annual.

The business staff, who really made the annual possible through selling ads.

All the students who helped write copy, work with layout, pictures, and contributed so much.

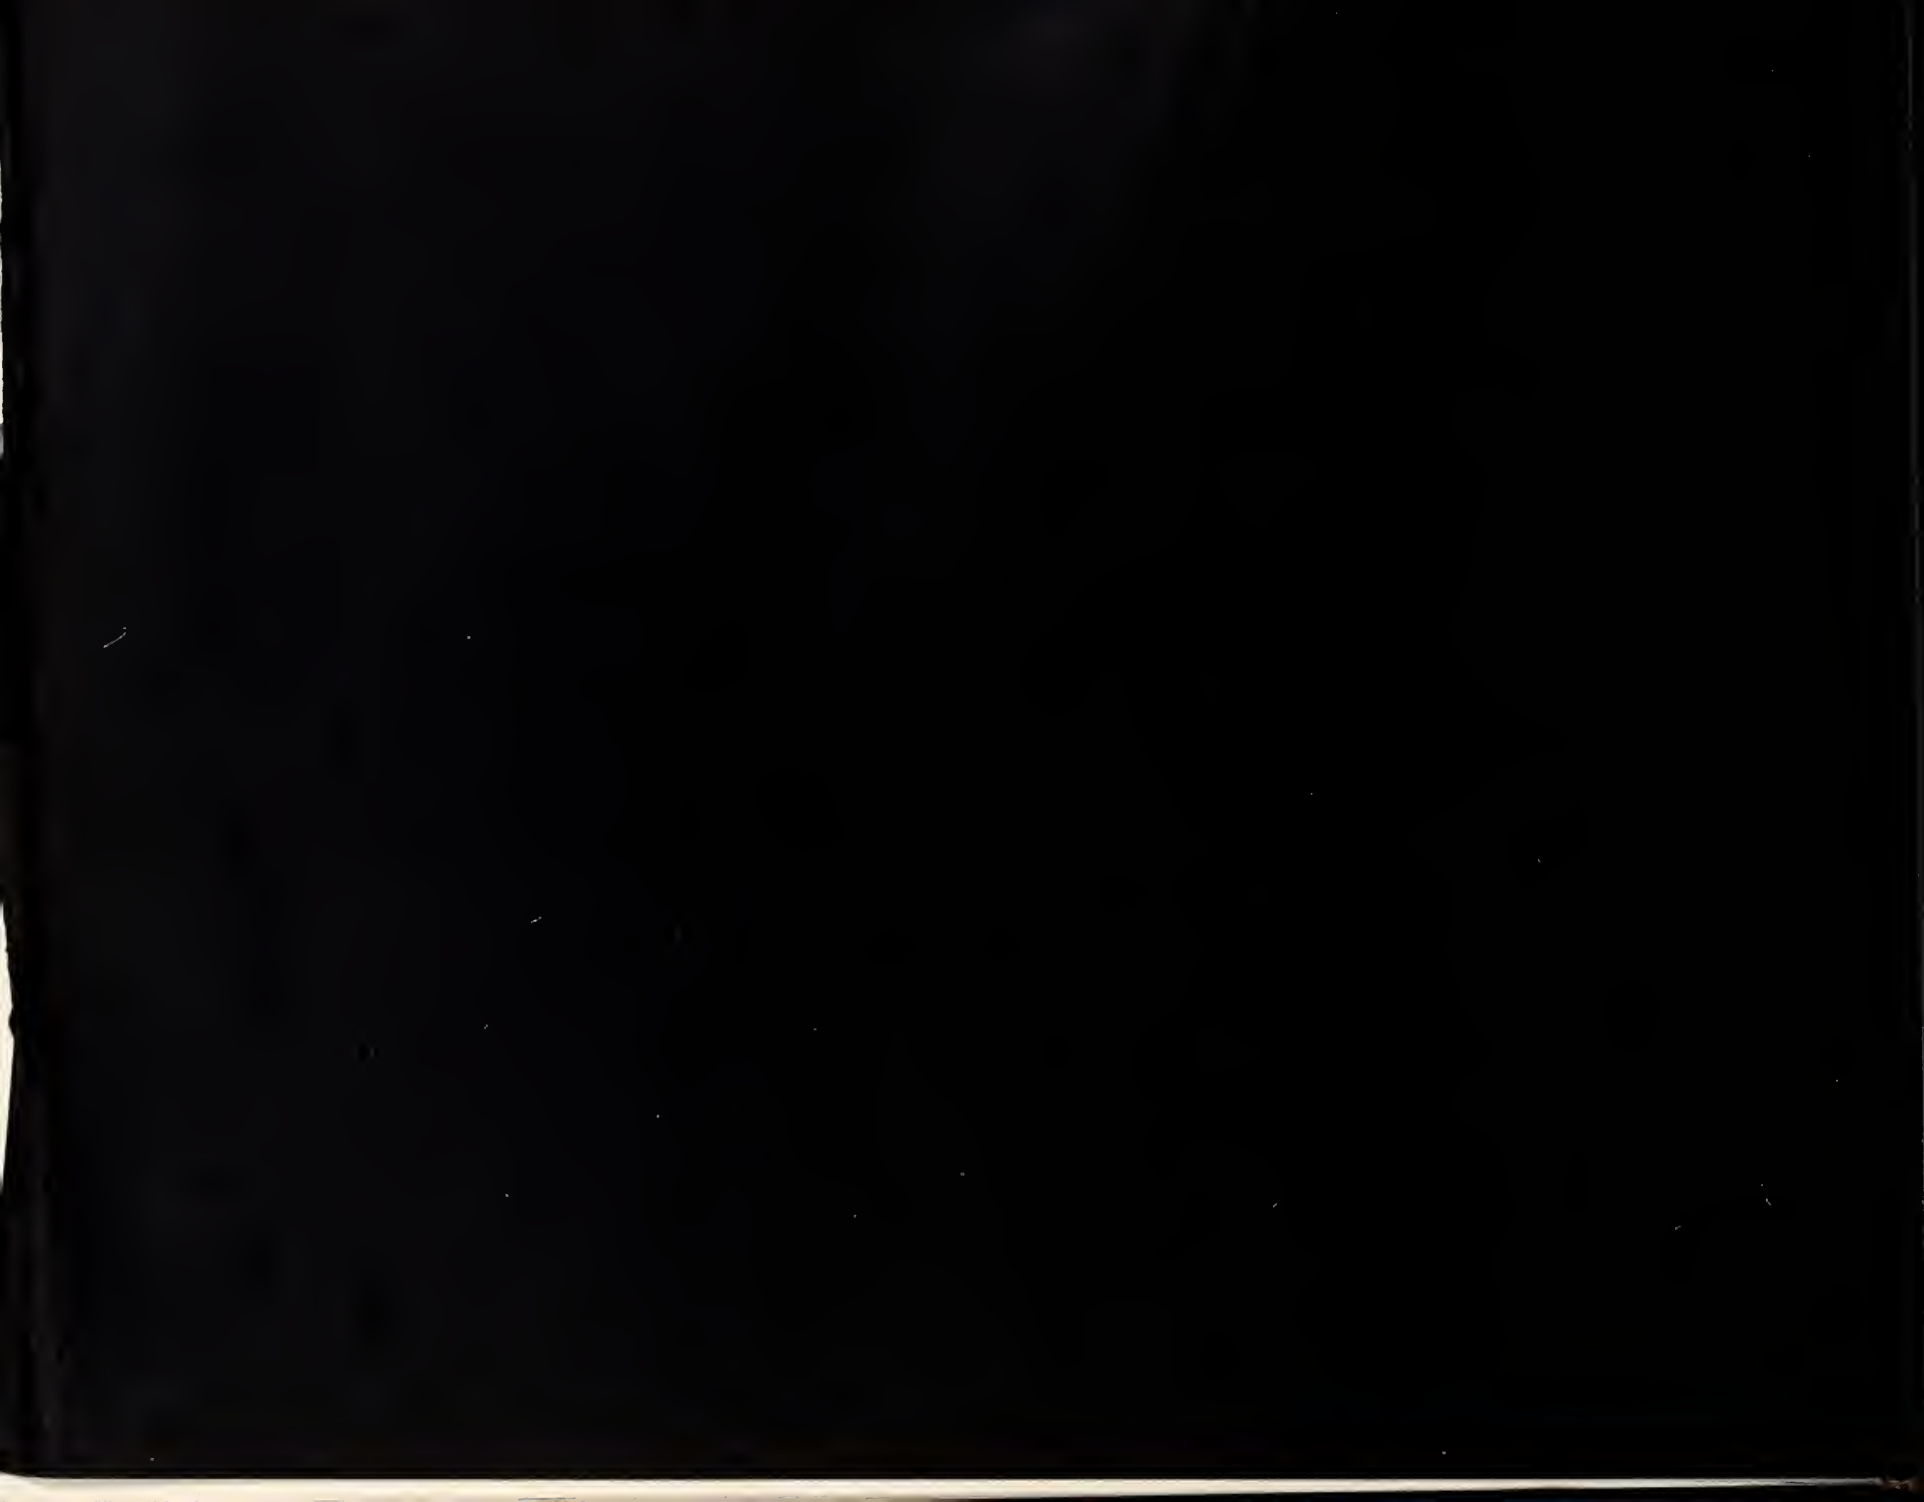

The teachers, who have borne with us while students were out of class having pictures made.

To all who helped make this annual possible by giving us assistance.

To Mrs. James Ivie for her patience and understanding while her home was in a state of mass confusion.

To all of you, we deeply give our thanks.

Jimmy, Janet, Dan, and Ira.
